

For Windows Vista

1. Go to the **Start Menu>Connect To>Set up a connection or network**

2. From the **'Choose a connection'** option, we select **'Set up a dial-up connection'**.
3. Then select the modem you have installed and click **'Next'**.

4. Now Enter ***99#** or ***99***1#** in the 'Dial-up phone number' field and type **Crazy John's Mobile Broadband** in the 'Connection Name' field. Do not change anything else.

Set up a dial-up connection

Type the information from your Internet service provider (ISP)

Dial-up phone number: [Dialing Rules](#)

User name:

Password:

Show characters

Remember this password

Connection name:

Allow other people to use this connection
This option allows anyone with access to this computer to use this connection.

[I don't have an ISP](#)

5. Now click '**Create**'
6. Once done, you have successfully created an internet connection!
